

ERTS² 2018 - Speaker instructions for Short Papers

Dear Author

We thank you again for your contribution to the success of ERTS-2018 and hope everything is going as smoothly as possible towards your participation and presentation.

You will find below a reminder of the "Poster Instructions for Short Paper", a link to the program with the name of the session chairs, and attached a form for your bio. You are kindly requested to give this form to your session chair who will contact you by mail before the conference, or will meet you at the latest in the conference room 15 minutes before the beginning of your session.

Best Regards

ERTS2 2018 Scientific Coordination Team

Presentation Instructions for Poster Overview Session

- Presentation time slot is 5 minutes, including set up, to be seen as poster teaser session (no questions and answers exchange)
- A videobeamer, computer and a laser pointer will be available in each conference presentation room
- You are kindly requested to bring your presentation (ppt or pdf on a USB stick) and have it loaded on the conference equipment through the dedicated "Preview Room" as soon as possible before your session. The Preview Room will be open each day from 8:30 to 9:00 and during the Coffee Breaks.
- It will not be possible to use your own computer for your presentation.

Presentation Instructions for Poster Area

- Poster presentation day is scheduled for Thursday the 1st of February near the exhibition hall. It is recommended to ensure a presence in front poster for public exchange at least during conference coffee break session.
- Poster need to be printed in A0 vertical format, carried by the authors and pinned by the authors on the poster support. Pins or sticky tape will be provided by the conference.
- You are kindly requested to go to the Preview Room on Thursday 1st February at is opening at 8:30 to get a place in the poster area, and install your poster before 9:00.
- You have to prepare and provide your session chair with a few lines for your paper introduction at the session (a very short bio, company, subject of the presentation)

Programme Session

- Check your session chair, timing and location in the programme <https://www.erts2018.org/conference-programme.html>
